Asian Festival of
Children's Content

LET OUR CHILDREN'S IMAGINATION TAKE FLIGHT

Welcome to the inaugural **Asian Festival of Children's Content (AFCC)**, the first of its kind ever in Singapore. For four days in May, join experts from around the world as they debate and discuss, and chart new ways on how we can look at ourselves, our heritage and draw out treasures which we never knew before. AFCC will see writers, producers, media experts and illustrators from around the world coming together to share and imagine new world for children and youths as well.

Check out our website www.bookcouncil.sg for more information and updates.
