

# Nominate your NEXT BIG THING!

*Muse*, Hong Kong's authoritative arts and culture magazine, is thinking ahead to determine Who or What will be **The Next Big Things** in Hong Kong culture.

Who says The Next Big thing must be a person? It could be an organization, artwork, or even a project - whatever will have the most significant positive impact on Hong Kong arts and culture in the near future.

The nomination process continues until May 31, 2010. Look for our nomination boxes - specially created by local artists -- at various locations\*. You can also send your nominations with a short explanation (in either English or Chinese) of why you think they are The Next Big Things to [NextBigThing@musemag.hk](mailto:NextBigThing@musemag.hk).
